

The SGGG Difference

Since we began providing fund administration services in 1997, SGGG has built a reputation for delivering accurate, timely fund administration with no surprises.

We provide full fund administration services including Advisory, Corporate Services, Shareholder Services, Accounting and Processing Services.

With offices in Toronto, the Cayman Islands and Malta, our team of professionals offers the depth of knowledge and specific investment fund experience required for trustworthy, trouble-free administration.

With over 200 alternative strategy funds under administration worldwide, we provide administration services to virtually every type of fund structure and strategy, and can deliver superior service at a competitive price.

Experience

Serving clients since 1997, our well trained team provides administrative services to virtually every type of fund structure and strategy in both onshore and offshore jurisdictions.

Personal service

Our low staff turnover enables us to provide the highest levels of personal service to each client supported by the backing of the worldwide SGGG team.

Flexibility

We pride ourselves on our ability to tailor services to meet the requirements of each individual client and respond quickly as our clients' needs evolve.

Value

Fees can be structured to minimize expenses while managers build assets under management.

Independence

A critical concern for investors, SGGG is not owned by or affiliated with any other financial service provider.

Technology

Continuous investment in proprietary software allows us to meet the increasing needs of our clients cost effectively.

Security

Our data protection and robust disaster recovery plans combined with the support of the worldwide SGGG team, ensures that our clients are able to maintain secure business processing through all contingencies.
